### LCIS UPPER SCHOOL CAMPUS TOPPING OFF - 26 NOVEMBER 2019 - 10.30AM KEY PROJECT STATS

The INSPIRE · CHALLENGE · TRANSFORM Campaign drives the implementation of a multiyear master and strategic plan to develop the facilities, programmes and financial aid support that LCIS provides. The Upper School Campus topping off is a major milestone in this comprehensive project.

#### OVERVIEW

- 380 students from Preschool to Grade 12
- 1 of only 36 schools in the world to offer all four programmes of the International Baccalaureate curriculum
- 40% staff and students Bahamian
- 41 nationalities and 14 languages spoken

#### EDUCATIONAL IMPACT

- Specialised spaces for learning of the arts, sciences and athletics
- Cutting-edge curriculum and programmes in facilities such as the Makerspace and Design lab
- Opportunity to develop a boarding and exchange programme in future years
- All students will benefit from increased spaces for learning and play

#### NATIONAL IMPACT

- Expansion means more space to serve local students
- Over \$2.5M in scholarships awarded to attend LCIS over the past 10 years
- Current endowment for financial aid and scholarships is \$3M
- We recently increased our annual investment in scholarships by 25%
- Sporting facilities, once complete, will be an additional resource for the community

#### CONSTRUCTION

- 17.5 acres are under development
- \$20M project budget for Phase One
- Contractors are Bahamas Hot Mix and Mosko Construction
- Architects are Bruce LaFleur and Cooper Robertson
- Completion of construction expected in May 2020
- Grade 7-12 students will be taught at the new campus as of August 2020
